Written by Daniel Olaifa, Gideon Akpovi, Sope Odusote

BPM: 84

Intro

Verse 1

You are a refuge
In times of trouble
Under your shelter I will dwell
You are the answer
In every question
So I will know that it is well

Chorus

Oh what a joy to trust you Jesus
Oh what a feeling to know you're safe
So In every season
I will trust your hand

Verse 2

You're a sure thing
When I'm doubting
So I'll put my faith on solid ground
Now I am free falling
Into your safe haven
Lord in your arms my hope is found

Bridge

If you said it
It will happen
I remember
You are faithful

If you promised
It will come true
I remember
I can trust you

Hallelujah Hallelujah
Hallelujah
You are faithful
Hallelujah Hallelujah
Hallelujah
I will trust You
